

TITLE SPONSOR

Opened in 1985, the Barbra Schlifer Commemorative Clinic name has been associated with high quality legal, counselling and language interpretation services for vulnerable women who experience violence.

For over 15 years the Clinic Tribute fundraising event has become the “key event” of powerful members of the legal community and their potential clients, corporations, banks, lawyers and individuals who care about their community. As the inaugural **Title Sponsor** of the Clinic’s Tribute event you demonstrate your alliance with an award-winning, highly reputable community legal service, which is foremost in the minds of Torontonians who care. SPIRIT OF BARBRA SCHLIFER AWARD SPONSOR

Barbra Schlifer was an idealistic young lawyer whose life was cut short by violence on the night of her call to the bar of Ontario. In her memory, the Barbra Schlifer Clinic assists 5,000 women a year to build lives free from violence through family, immigration and criminal law.

The Spirit of Barbra Schlifer Award was launched in 2012. Sponsoring this award offers maximum exposure to a powerful and dedicated group of corporations, lawyers, jurists and policy-makers who attend the Clinic's annual celebration at the Tribute event in June of each year. In the lead-up to the event, additional media exposure extends the reach of the affiliation. By demonstrating your support for the Clinic in this exciting and vital way you will benefit from association with the good work of the Clinic, and its known dedication to gender equality and diversity, and the loyalty it garners from the legal community, clients, prospective clients, donors and the general public. Your company's Brand will be the only commercial partner linked to this aspect of the event including pre- and post-marketing.

The Award recipient will be a woman known for her contribution to increased access to justice for diverse women. She will be selected for her outstanding commitment to improved access to justice and other systems—with additional merit for advocacy in the area of violence against women—either through her employment or her pro bono/volunteer work.

The Spirit of Barbra Schlifer Award will be awarded, through a nomination and selection process that assures objectivity, legitimacy and prestige. It will be overseen by a selection committee that includes board members of the Clinic, leaders in the legal field, social work experts in diversity, and including a percentage of previous recipients.
